Pumps & Pipes in South China

## FLOWTECH CHINA (GUANGDONG) 2020 Postponement Announcement

~~March 11-13, 2020~~

July 14-16, 2020

Poly World Trade Center, Guangzhou, China

### FLOWTECH CHINA (GUANGDONG) 2020 will be postponed to July14-16,2020

Dear Exhibitors and Visitors,

Due to the prevention and control of novel coronavirus pneumonia (“NCP”) cases, Guangdong Province has activated first-level emergency response for the outbreak of public health. In order to cooperate with the central and local government on preventing NCP, protect the physical health and safety of our exhibitors and visitors, and guarantee exhibitors and visitors’ experience of the show, we regret to announce that **FLOWTECH CHINA (GUANGDONG) 2020**, scheduled to be hosted at Poly World Trade Center on March 11-13th, **will be postponed to July 14-16, 2020**. We will pay close attention to the progress of NCP and announce the latest information of the exhibition in time.

Appreciation to our exhibitors and visitors for your long-term supports! As organizer of FLOWTECH CHINA (GUANGDONG) 2020, we are primarily concerned about exhibitors and visitors’ safety in this crucial moment of combating NCP. We thereby apologize for the inconvenience caused by FLOWTECH CHINA (GUANGDONG) 2020 postponed, as well as receive understandings from exhibitors and visitors. Meanwhile, we will spare no efforts to provide premium services for our exhibitors and visitors to eliminate relatively negative effects. We are convinced that China has the full confidence and capability to win the battle against the virus!
